

Hey, tell us what's important and what we should be focusing on!
Tick your top 10 priorities!

OUR PLACE | Tā Tātou Kainga is a place where...

-  **Roads and bridges** are safe and well-maintained
-  **Our towns** are well designed and we're proud to say we live here
-  **Ecosystems** are protected, restored and respected
-  **Our public spaces** are clean and tidy
-  We're responsible consumers, producers, we minimise **waste**
-  We use **water** carefully and have a reliable drinking water supply
-  We encourage walking and cycling with accessible **shared pathways**
-  We plan for and adapt to the effects of **climate change**
-  **Parks, reserves and playgrounds** are fun for children and adults
-  Our communities are lively and we have creative and inclusive **community events**
-  **Community pools** meet communities' needs and expectations
-  **We look after each other**
-  **Youth** are engaged in their communities and have something to do
-  There are plenty of facilities for a range of **sport and recreation**
-  **Learning** places are supported and we have lifelong learning opportunities
-  **Dogs** have exercise areas and facilities for waste disposal
-  **Skateparks** look awesome and are made for all skill levels
-  **We know what's happening** and what we're **paying for**
-  Everyone has access to safe and affordable **housing**
-  There is always a **public toilet** close by
-  We have **public transport** options
-  **Halls** are upgraded and accessible
-  We know about **nutrition** and have **access to healthful foods**
-  **Local business** is supported – we can get what we need locally
-  There is opportunity for paid work and **employment**
-  **Tourism** is well-managed and we have the facilities to welcome visitors
